

School Council

Minutes

Friday 4th March 2016

Attended by: Shaun, Kervel, Mariama, Hannah, Balkiz, Mehmet, Nabil, Leshay, Adam, Sonny, Nicole, Kianna, Cordell, Hanif, Rosana and Nana Kwadwo.

Topics to be discussed:

- A talk from Miss Smith
- Talk about minutes from the meeting and how we will use them.

Today we discussed:

- **Miss Smith**
 - Miss Smith discussed with the councillors about our new project to turn the upper school roof playground into a learning area.
 - Miss Smith and the councillors agreed on turning it into an area to help children learn number facts.
 - Councillors and Miss Smith spoke about maybe getting an artist in to help decorate the roof playground.
 - Councillors were concerned about there being no shelter and that they will have to discuss this further.
 - Miss Smith and the councillors also spoke about value trees that are up in all of our classrooms. Councillors have been asked to share and remind classes why we have a value tree. Here are some of the views from our councillors:

- 'The values are ways in which we behave toward each other.'
- 'They are British values.'
- 'We talk about them in our in-class assemblies and we also talk about them in our whole school assemblies with Miss Smith.'

Any Other Business:

- From now on Mr Butler will print out minutes from the meeting and hand them out to councillors each week so that they can use them to feedback to their classes.
