

Monday 16th January

Dear Parents/Carers,

I am writing to inform you about an important point of focus for Thomas Fairchild this term.

Today you will receive a consultation document regarding the proposal to federate Thomas Fairchild Community School and Colvestone Primary School.

Colvestone Primary School has been supporting Thomas Fairchild Community School with strategic leadership and both schools have been benefitting from sharing expertise and best practise for 2 years and one term to date.

The consultation paperwork is being made available to all stakeholders and the school governors welcome your responses. Details of how to respond are outlined within the document.

The consultation period runs from Monday 16th January to Friday 24th February 2017.

Drop in information sessions will run at each of the two schools (dates and times are given in the consultation document) offering parents/carers and the wider community the opportunity to speak to governors, Miss King, Executive Headteacher and Miss Smith, Head of School, about the proposal.

I look forward to seeing you at one of our consultation sessions.

Yours faithfully,

Miss Caroline King
Executive Headteacher
