Number of votes available - **One**

Name of Candidate	Supporting Statement	Place Your X Here
Joanna Spaczynska	I care very deeply about the education of my daughter as I believe that it contributes immensely to a successful life of hers as an adult. Making sure our young generation gets the most during their time spent schooling should be considered one of the foundations for prosperity and development for us all as a local community and also as a whole nation.	
Margaret Nambi	My name is Margaret Proscovia Nambi. I am the mother of two children who attend the school. I am passionate about working to improve the school in all aspects as a school governor. As a nurse I am trained in the safeguarding of children and how to care. These are attributes and skills I believe will hold me in great stead when elected as a governor. I am hardworking, methodical, caring, meticulous and a good communicator.	
Monika Drulyte	My day to day work involves solving issues related to social matters, consulting, form filling, helping people to know their rights and I have a vast experience in dealing with various governmental institutions which would contribute if being elected. I would also like to contribute and participate in the school and children's lives directly.	

The ballot paper must be returned to the school office, no later than **3.30pm on Friday 10th November**. The name of the voter must not be written on the ballot paper. All ballot papers will be placed in a sealed ballot box.
