

Biker's Breakfast Autumn Term 2015

Biker's Breakfast:

At Thomas Fairchild Community School we aim to encourage children, parents and staff to cycle and walk to school.

Each term we provide a Biker's Breakfast in partnership with Hackney Council. We offer breakfast and a bike check to each child and any staff who come to school riding their bikes.

Each times it gets busier and more children cycle to school.

In October 2015, 25 children had their bikes check by a qualified instructor.

Keep cycling!

Next Biker's Breakfast: May 2016 – Date TBC
