### **Agenda**

- Welcome
- How school council works
- Vote for chairperson
- Any other business

### **What we discussed**

- School councillors were welcomed to their first council meeting. Councillors were informed about how school council is run and what they are responsible for.
- It was explained to the school councillors that it is important that the adults at Thomas Fairchild hear the views and opinions of all children and it is the job of the school councillors to record these views and bring them to the school council meetings.
- Alex from Lions class was voted as chairperson of the school council. It will be Alex's responsibility to keep notes from each meeting and share them with either Ms Haidar or Ms Ryan after each meeting.
- Ms Khan attended our meeting and explained that the school councillors will be responsible for recording the 'Walk to School' charts each day. Lille-Mae and Ephraim have been voted as the Junior Road Safety Officers. There will be more information to follow regarding this in our next meeting.
- Councillors will ask their teachers if it is okay for them to have some time during in-class assembly on a Monday or Tuesday to allow their

classmates to share any views that they want raised at school council meetings.

- Ms Ryan has asked Mr Butler to order school council badges for the councillors.
- Finally, Mr Butler spoke to the councillors about being good role models and that there is a high expectation for good behaviour and that school councillors should be demonstrating good behaviour at all times.
