

## Soaring Skies Federation

Dear Lynx Class,

I hope you have been having a fantastic week so far and enjoying the slightly cooler weather, I know I am! Well done for your effort completing the home learning tasks you have been set and engaging with the new Spanish website.

This week the children in Red House and I had a wonderful learning time in the garden with Calvin looking at herbs and vegetables. Two cabbages were harvested and presented to Mr Dean for our meal tomorrow. We also spend time collecting snails and even had a snail race.

Last week, I asked you to start thinking about our yearbook. Now the time has come for you to write your personal page to go into the yearbook. You will need to write something under the following sub-headings for your page:

- My favourite school memory (a couple of paragraphs)
- When I grow up I want to be... (with a sentence or two explaining why)
- My hope for the future (with a sentence or two explaining why)

I know that the closure of schools has been a big part of your school experience this year so I would like to ask that you all design a front cover for our year book and we will select the best one. What do you think? I hope you are as excited as I am about the yearbook project. You could also bring your personal page information when you are in school for book swap.

Belong. Believe. Be Proud.

Love from,

Mrs Andza
