

Dear Cubs Class,

We hope you and your family are keeping safe and well.

This week, we will be learning about the existence of aliens. What do you think? Do they exist? Are they only our imagination? As you know our universe is so vast and the possibility of having life in other planets is very likely. If you want to know why there might be life in other planets please visit the link below.

<https://www.youtube.com/watch?v=1N6RgreQhF8&list=PLF0LaU3dD3xbBsFLMceaSbTP2xZDUn8pM&index=1>

Imagine that a spaceship crash lands in the playground and you are the first to arrive and investigate! What do you think you will find? **If it is an alien**, what does it look like? What does it sound like? Think about all your senses – can you use different adjectives to describe what you see, hear, smell, and feel? Describe as much as you can to your adults! How about being more creative and designing your own alien mask! For instructions about how to make an alien mask, please visit at:

<http://www.ahappymum.com/2015/09/diy-alien-mask-creativity-craft-for-kids.html>

If you want to do something different, here are some examples to help you:

Always try to be happy and positive!

Best wishes

The Early Years team
