

Soaring Skies Federation

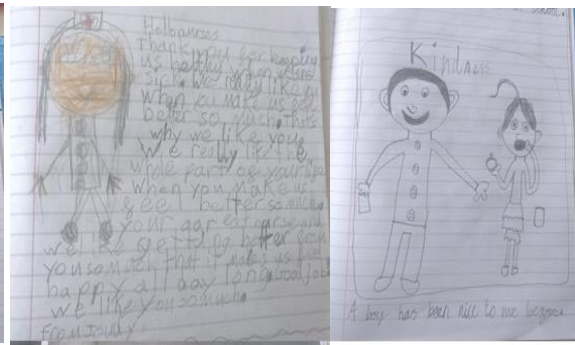

Hello Year 2!

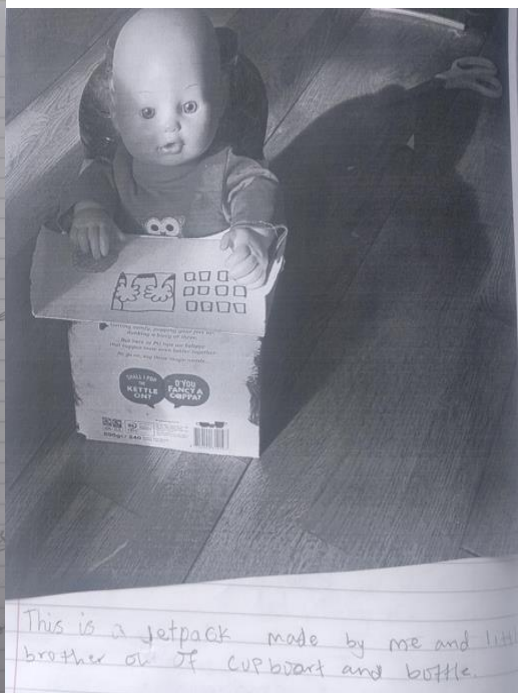

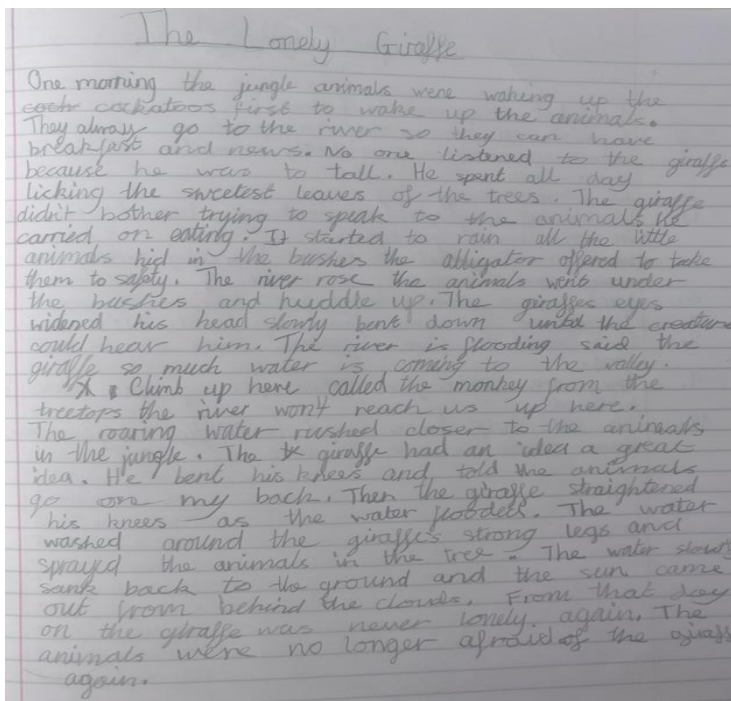

Hope you are staying healthy, safe and well! As we enter the final week of the Summer Term and Year 2, I would like to say a massive well done to everyone for your dedication and resilience over the months we have been apart. You are all SUPERSTARS! This week I would like to showcase some of the fantastic home learning that some of you have shown to me at the book swap or have sent by email. What have **you** been proud of this term?

Spanish

How are you finding our new Spanish platform **Duolingo**?
<https://schools.duolingo.com/>

The site has loads of fun activities to help you learn Spanish. How many points can you collect as you learn? This week you can collect 20 points for 10 minutes of Spanish learning . Remember you can phone the school office for your log in details if you have not received them yet.

Final Book Swap

This Tuesday there will be a final book swap and an opportunity for us to say our farewells to each other before the summer break. Your adults will also be able to collect your end of year report at this time and you can meet your new teacher. Please do come along at your allocated time slot . It would be lovely to see you all before we break for the summer holidays.

“The beautiful thing about learning is nobody can take it away from you.”

Be kind, be good, and be safe.
