

Soaring Skies Federation

Tigers Class,

Meet your new teacher!

Thursday's book swap will allow you to receive your report, pick up your year 5 books and meet your new teacher for Year 6.

New Spanish Website

We have now started using our new Spanish platform

duolingo

You should have received your login details by now, but if you need them again, please contact the school office. Congratulations to those who have already got off to a flying start! Buen trabajo!

Home Learning Hard workers!

Thank you everyone for trying your best in completing your home learning tasks on our topic 'Space and Aviation.' I would like to say a special mention to Keren, Yanis, Taliyah, Eshaan, Ephraim and Nana-Adwoa who have been working hard on the activities! All trying for high scores, on Education City. All of you have been doing so well, keep it up.

New activities have also been set for you this week on Education City. Please work through the tasks if you can but remember that it is fine if you can't because access to a computer or the internet is difficult. Take some time to talk to your family, play games and keep active. Remember to value this time with your family, doing good listening and getting on with each other.

I would love to see more of your home learning so please take pictures of your learning and ask an adult to email it to (especially art, as I love to see your drawings!) admin@thomasfairchild.hackney.sch.uk and say it is for me. Please title the email 'For the Attention of Mr Wickings.'

Take good care and speak soon!

Mr Wickings and Ms Paul
