Dear Walrus Class,

I hope you are all well.

This week I'm really excited because we are writing stories, and I know that so many of you are really good at writing them. Our class book will help you sequence your story. Don't worry if you can't think of anything, just write what you remember from the story *The Way Back Home*.

Name:

Write your own story.

Are you practicing your phonics sounds and reading for at least five minutes every day? The High Frequency words are very important too, they will help you in year 2. Remember to learn to read and spell them. How many do you know now? These are just simple activities you can do when you feel bored or not sure what to do for your learning.

How did you find the Art activity? Van Gogh was a very talented artist. He enjoyed art and the sunflower picture is one of his famous paintings. What do you think of his art? I like the sunflower painting because it makes me feel warm and reminds me of summer time.

Some of you during book swap came to school and collected your usernames and passwords for your Duolingo accounts. I hope you are all having fun learning Spanish. Thank you very much for coming, and it was so wonderful to see your fabulous writing and learning. If you haven't collected your Duolingo details please come to our next book swap. I look forward to seeing you all.

Here is the email address for any pictures you want to share with us. admin@thomasfairchild.hackney.sch.uk please state for the attention of Miss Khatun. Then it will be forwarded to me to see.

Goodbye for now. Take care.
