*Mr Wickings in Year 3 / 4
Narwhals class*

Hello,

My name is Mr Wickings, I will be your new teacher next year, I look forward to meeting you. It has been a very unusual year. I've heard lots of good things about you all. Your teachers have told me that you are kind, hardworking and fun to be around. I am looking forward to meeting you all. I am sure we will have a great year together!

Our Autumn Topic is "This is Britain". We will be learning about the geography of Britain, it is countries, cities, famous people. Have you been to any places in Britain outside of London? Do you have any friends or family in other parts of the country? It will be interesting to hear what you know about our country.

In history we will be starting to look at the Stone Age and travel through time all the way to Roman times. We will be organising exciting trips around our topic.

Make sure you are reading daily over the holidays, as reading is the most important thing you can do to help you with learning. I will be interested to hear who your favourite writers (authors) are and what kinds of book you like to read. I love reading fantasy stories and writing them too!

Over the holidays you will also still be able to access Duolingo, Education City and Mathletics. Make sure to use these regularly to refresh your skills and help prepare you for your next year at school. Also remember to have fun with your family and friends. I look forward to hearing about your time during the holidays.

I look forward to seeing you!

Mr Wickings
