

Soaring Skies Federation

Dear **Seals**,

Welcome to Year 3! I look forward to being your teacher and getting to know you over the next year.

About Me

My name is Miss Spiers (pronounced Spy-ers (although I'm not a spy!))

You may have seen me around the school (I used to teach Belugas in Year 3), but if you haven't, don't worry because we will have lots of time to get to know each other. Here are some facts about me:

- I am from **Northern Ireland** (which is a country in the United Kingdom).

- I have lived and worked in many places including Italy, Spain and Australia.

- My favourite food is **cheese** and my favourite drink is **green tea**.

- I love reading and my favourite children's book of all time is **'The BFG' by Roald Dahl**.

Would you like to know anything else? Have a think over the summer and you can ask me in September.

About You?

I also think it would be lovely if you wrote some things about yourself for me and I could read them when I return in September. What would you like me to know?

Where do you come from?

What languages do you speak?

What's your favourite food?

What subjects do you enjoy the most?

Summer Learning

We will be learning about Britain in the new year and will learn about the Stone Age. I really look forward to teaching you in the new year but there are a few things you could do during the summer to help prepare for year 3:

1. Practise your timestables (review your 2, 5 and 10s and if you know them, start learning your 3, 4 and 8s).
2. Keep reading and writing a little bit every day! This will help you improve your imagination, vocabulary, spelling and grammar and I will always be excited to read your work!

Have a lovely summer and I will see you in September!

Best wishes to you and your family,

Miss Spiers
