

## Soaring Skies Federation

Dear Year 6 Tigers

As you may know by now, I am going to be your class teacher next year. I am very really looking forward to teaching you all in Year 6 and having this chance to be part of your learning journey at Thomas Fairchild and being able to get to know you even better.

When I first came to Thomas Fairchild you were all in Reception and you may remember that I came to teach you quite a lot. I have been able to see you all grow and change as you have been in school – in Singing Assembly, the Singing Festival at the Round Chapel, House Reading, looking at your class work and just seeing you around school. I feel very lucky to have been given such an amazing class and I know we are going to be in for a fantastic year of learning ahead!

Since January this year I have been teaching Year 6 at Colvestone, so I haven't seen you for quite some time. I am very much looking forward to returning to Thomas Fairchild. You will be my fifth class in Year 6 so I will be able to guide you through the tricky moments and really do my best help you to get the best results you can. Year 6 is a lot of hard work but also a very rewarding year and we are working to get you ready for Year 7.

As you have probably realised, one of my passions in life is making and listening to music. In my spare time, I also enjoy reading mainly fiction books, watching TV and going swimming – I am looking forward to the swimming pools opening again during the summer holidays

I hope that you and your family have all kept safe and well during this very strange year and that you get a chance to relax during the summer holidays.

Keep smiling

From  
Mr Jones
