

Year 1 Curriculum leaflet Autumn 1

Materials
and their
properties

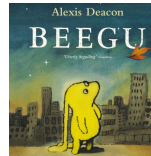

Map it!

Reading & Writing

In English we will:

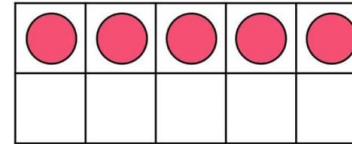

- read RWI books at our level to develop our reading fluency
- have reading sessions to enjoy reading for pleasure
- write our own ideas based on what we have read
- compose sentences orally before writing

Maths

We will be learning about:

- how to represent, compare and explore numbers within 10.
- how to add and subtract numbers within 10 using mathematical symbols and ten frames.
- identifying shapes and patterns.

Science

We will be learning to:

- distinguish between an object and the material from which it is made
- describe the simple physical properties of a variety of everyday materials
- compare and group a variety of everyday materials on the basis of their simple physical properties

Geography

We will be learning to:

- name, locate and identify characteristics of the 4 countries and capitals of the UK
- name, locate and identify the seas surrounding the UK
- use a map and globe to identify the UK and its countries

Physical Education

We have a PE lesson **every Friday** so please wear a PE kit to school on Fridays. We will focus on our topic 'Send and Return.'

We will be learning how to:

- send an object with increasing confidence using a hand or bat
- move towards a moving ball to return
- send and return a variety of balls

PSHE

Our topic is 'Being me in my world'. We will be learning about

- how to recognise our own special qualities.
- what it means to be safe and how to stay safe
- how to set goals for the year ahead to make sure we are successful

Home Learning

You can help me at home by:

- Helping me with spellings and Maths homework.
- Helping me remember my number bonds to 10.
- Helping me to look at maps of our local area.
- Reading my RWI book and class book with me regularly.
