

Year 3 Curriculum leaflet Autumn 1

Light

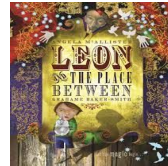

Map It!

Reading & Writing

In English we will be:

- reading SFA/RWI books at our level to develop our reading fluency
- discussing and recording ideas
- using joined handwriting throughout independent writing, increasing our fluency over time

Maths

We will be learning about:

- place value and the value of each digit in a number
- number bonds to 10 and 20
- comparing and ordering numbers up to 100

Science

We will be learning to:

- recognise that they need light in order to see things and that dark is the absence of light
- notice that light is reflected from surfaces
- recognise that light from the sun can be dangerous and that there are ways to protect our eyes

Geography

We will be learning to:

- identify what latitude can tell us about the climate
- identify which countries are located in Europe
- recognise simple ordnance survey symbols

Physical Education

We have a PE lesson **every Tuesday** so please wear a PE kit to school on Tuesdays.

We will be learning all about football and netball including:

- throwing
- catching
- spacing
- pace when running

PSHE

We will be learning about:

- how I can face new challenges positively
- making responsible and safe choices
- understanding how my actions affect myself and others
- why rules are needed and how they relate to rights/responsibilities

Home Learning

You can help me at home by:

- helping me to practise my cursive handwriting
- helping me practise my 3, 4, 6 and 7 times tables
- reading a wide variety of books, including fiction and non-fiction
