October 2021

At New Wave Federation, we know that PE is an integral part of our curriculum and as it is an essential part of a child's educational development. We believe that the subject inspires all pupils to succeed and excel in physically-demanding activities and helps them to become confident in a way which supports a positive relationship with health and fitness throughout their lives. Therefore, we believe that our children should be physically active every day, whether through daily physical activity, PE lessons, breaktimes or extra-curricular activities.

We aim to:

- Develop sporting confidence, skills and knowledge.
- Pursue sporting excellence
- Be proud of all physical achievements and participation
- Promote team-work, fair play and respect
- Educate children to improve health and wellbeing
- Provide quality opportunities for children to engage in sports outside of school hours

Support for review and reflection - considering the five key indicators from DfE, what development needs are priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current needs and priorities for the future.

Key achievements to date:

- Since beginning the partnership with New Wave Federation, sport, fitness and physical events have been at the forefront of our offer to pupils. This has been done through providing 2 hours of PE lessons for all classes with specialist coaches each week, offering a range of sporting and athletic after school clubs, and through working with Young Hackney to offer weekly sports competitions.
- As a school we took the decision to prioritise the teaching of swimming due to previous year groups not having access to swimming lessons and learning this valuable life skill. Year 4, 5 and 6 have attended swimming lessons every day for two weeks to ensure they really master this skill.
- We have restarted our regular attendance at a wide range of major external sporting and physical events including, Bike Around the Borough, and the Hackney Half Marathon.
- In July 2020, sports days in Shoreditch Park for preschool, reception, KS1 and KS2 enabled them to enjoy the competition and participation in whole school events whilst adhering to government restrictions.
- Wide range of accessible and inclusive after school clubs that we provide have relaunched for this academic year including: football and invasion games, striking and fielding, the energy club, the summer sports club, mini archery frisbee and circus skills, smashing tennis, karate and martial arts, bike and cycling club, dance and musical theatre, ballet and tap.
- The school PE coaches work with local football teams ensuring that children within school can expand their sporting experiences outside of school.
- Cooking as part of the curriculum promotes health and wellbeing. We attend Young Hackney healthy living festivals each year aimed at being 'sugar-smart'. We aim to make explicit the connection between mental health to the idea of healthy bodies. A number of staff have attended WAHMS training, which we intend to further develop through staff training to deliver a mindfulness programme to children.
- Bikeability sessions that are on-road, cycle training sessions delivered by Cycle Confident take place for KS2 pupils. Each year we can boast that 48 children have reached the Level 2 accreditation for cycling on the road and the remaining children reach Level 1 and have off road experience. This is linked to our initiative on making sensible travel plans.
- Greater number of children involved in sporting activities at lunchtime through engagement with sports coaches and timetables that enable children of varying confidence and skill to participate in activities.
- The school has been able to take advantage of intensive swimming lessons for pupils in years 4, 5 and 6 in order to address the gaps identified as a result of the closure of local swimming facilities from March 2020.
- We celebrate successes by signposting successful athletes in school celebration assemblies, the Headteacher's newsletter, sports display board, our school website and Twitter.

Areas for further improvement and baseline evidence of need:

- Improve range and tracking of pupil voice regarding participation in sporting activities to include questions around barriers to participation and to act accordingly to reduce those barriers.
- Further develop lunchtime and support staff as well as playground friends to provide additional physical activities at these times.
- Raising the profile of PE through the Primary Sports Leaders programme make provision to challenge the more able athletes.
- To raise the participation numbers in sport using data, including health information form NHS partners, to target the children who are reluctant to participate.
- Ensuring children and families understand the importance of physical health to their mental wellbeing.

Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	83%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	73%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	70%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Academic Year: 2021/22 Key indicator 1: The engagement of <u>a</u>	ce of impact that you intend to measure to eval Total fund allocated: £18,164	Date Updated: Oct	Percentage of total allocation:	46%
 School focus with clarity on intended impact on pupils: Sports coaches provide a range of sports activities at lunchtime and playtime to encourage engagement and activity at those times. Lesson time with PE specialists increased from 1 hour to 2 hours each week for all classes. Train external coaches and playground leaders to ensure that pupils are engaged by the activities on offer at playtimes and lunchtimes. Continue to encourage physical activity at break time through an active playground leader system. Recruit and support new Junior Road Safety roles to encourage pupils to travel to school actively by walking, 	Further develop the role of playground leaders	equipment for playground	 More pupils are involved in physical activities at playtimes and lunchtimes. A wide range of activities continue to be available in the playground Pupil voice continues to show that the majority of pupils are engaging with activities run by professional sports coaches Sports coaches have developed mentoring roles with key pupils to encourage participation with sporting activities, particularly pupils who may not have opportunities outside of school. 	Targeting those attaining

improvement				
School focus with clarity on intended impact on pupils :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
 Celebration assembly to continue every week to ensure sporting participation and engagement is celebrated. Through assemblies, encourage all pupils to aspire to being involved in more sporting activities. A diverse range of sports people to be celebrated in lessons and assemblies as role models (including those from different backgrounds and those with disabilities). School signage will raise the profile of PE and Sport for all pupils, visitors and parents. A sports display to be updated and inclusive of sports team selection and achievements. 	 Tweets, photos on newsletter and website of all sporting events. Sporting events and messages included in Trilby TV signage. Subject Lead to monitor the use of the display wall. Local athletes to visit the school for 	Negligible additional costs are incurred	 Pupil and parent voice indicate awareness of sporting achievements. Greater well-being through sports reported by the children. Increased participation levels amongst the children. Engagement with a healthy diet. School teachers are now able to make specific comments on which sports have been undertaken by each child which is useful for their parent consultations and report writing. 	Survey pupils and families on school's sports' provision Identify opportunities for new tournaments and competitions to encourage participation based on the interests of reluctant learners

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport		d sport	Percentage of total allocation:	12%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
 In order to improve progress and achievement of all pupils the focus is on continuing to develop staff. Subject leads to attend cluster meetings to share good practice and develop action plans and monitoring cycle to ensure high quality provision for all pupils. PE Hub planning system and attainment system distributed to all staff members with PE Lead to act as a support-staff members to be more active in monitoring child progress. 	 CPD (staff training sessions/training for ITTs andECTs) on how to plan and develop the PE curriculum and bring it to life. Staff to deliver sessions independently based upon the new planning system. Federation lead coaches to provide further support and team teaching for coaches in 	£935 for professional body membership £1,500 for coach and PE Lead professional development	 Increased confidence and developed subject leadership skills enabling the subject leader to lead CPD for all staff. Greater use of resources such as PE Hub to support teacher planning Leaders continue to be confident when undertaking lesson observations/team teaching, feedback and lead discussions have an impact on learning. 	

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils			Percentage of total allocation:	0%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
 Continue to offer a wider range of activities both within and outside the curriculum in order to get more pupils involved- with an emphasis on engaging children at a younger development stage. Continue to maintain a school database on participation in clubs, events and competitions to allow the school to target those pupils who do not take up additional PE and Sport opportunities. Increase participation of pupils with identified SEND in physical activity. Develop in school 'personal best' to encourage pupils to improve their skills, times, distances etc so those pupils who are not competitive or engaging in physical activities have greater motivation to challenge themselves. 	 Engage children at a younger development age, with a focus on EYFS and KS1. Through Young Hackney and other local groups, maximise the number of competitions, events and festivals entered. Keep a record of all events entered and all pupils attended and target provision at those who may not have participated. 	costs are incurred as funding is secured locally.	 56 Pupils participating in Hackney Half Marathon. 36 pupils participate in Bike Around the Borough. Competitions for Tennis, Cross-country, Multi-sports etc. Additional festivals attended for pupils with EHCP for SEND. Dedicated additional sports coaching for pupils with complex SEND needs weekly. 60 Year 3 pupils selected to compete in Personal Best – program to encourage children who are not necessarily engaged in physical activities. Significant increases have been seen in the uptake of all sports which is evidenced in detailed records accessible by all members of the sports team. 	experience of the sports on offer.

Key indicator 5: Increased participation in competitive sport			Percentage of total allocation:	42%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
 Develop a wide range of opportunities to try different sports through extra-curricular activities. Continue to increase participation and engagement in competitive sports through high profile sporting events including whole school sports days and cross-federation sporting events. Enroll in more Young Hackney 'festivals' which require no prior experience to give children a taster for competitive sports. Expand the range of activities available as extra-curricular clubs to encourage pupils to be more involved. Signpost families to opportunities outside of school to engage in further activities. 	 Continue to develop a partnership with the local community to develop participation e.g. Young Hackney. Publication through school's communication of additional physical 	£5,500 for ASC for competitive sports with coaches £3,150 for stadium hire, equipment and transport to sports days		 Reflect on demand and waiting lists for physical activity ASC and adjust provision as needed. Explore opportunities to encourage reluctant and less confident boys and girls to attend a range of sports clubs, events and festivals. Further broaden pupils' range of opportunities to include even more activities not covered within the curriculum eg lacrosse.
