

22nd October 2021

Dear Families,

We are writing to say an enormous **THANK YOU** for helping us to make last Friday's **Global Eat Festival** such a success. The food, activities and performers were all amazing and the children had a fantastic time. It was a pleasure to see so many smiley faces - both adults and children! What an amazing school community we have.

We would also like to thank you for all your positivity and feedback this term. We appreciate how much you have all embraced the changes to rules, routines and systems this academic year. Change can be challenging but hopefully you can already see the huge benefits to the children from some of the different approaches we've implemented.

Next term we have lots to look forward to, including our Winter Festival, so please keep checking letters, texts and updates. We look forward to seeing you all after the half term break!

With best wishes,
