Dear Families,

Re Electricity & Gas Vouchers and Food Bank

From conversations with many of you on the school gates, I am aware of how many people are increasingly struggling with the increased cost of living we are all experiencing at the moment.

To help with this, Hackney Council, in collaboration with East End Citizen, have begun a new initiative providing Hackney residents with vouchers for anyone using a pre-payment system for gas and electricity, who is having difficulty paying their energy bills. If you need this support, or know someone who does, please contact East End Citizen Advice on 0203 855 5232 or by email on fuel@eastendcab.org.uk.

I would also like to take this opportunity to highlight that [Hackney Foodbank](#) continues to do an amazing job offering food parcels. If you are interested in accessing their support, donating or volunteering, please do get in touch with them on 020 7254 2464 or by email on info@hackneyfoodbank.org.

The huge compassion and goodwill that exists in our communities will see us through these difficult times. Please do not hesitate to speak with any member of the team at any of the schools if you need help in any way.

Kindest regards,
