Dear Thomas Fairchild Families,

Re: End of Term Update

It is very hard to believe that we are at the end of another term! I do hope that when we return after the break the weather will reflect the fact that summer term is beginning.

Thank you for joining us this week for **parent consultations**, which was a wonderful chance to celebrate our children's success. The children have learnt a huge amount across the curriculum this term, not just in maths and English but through their science and history topics as well as music, PE and art. We are very proud of how the children have been supported to unlock their potential and develop their talents.

Next half term we are excited to introduce the children to their new curriculum topics. Our **new geography topics** are listed on the attached handout with suggestions for holiday activities you can enjoy over the easter break. These holiday activities will really support children to develop key knowledge and get excited about their new topics.

As many of you know, another exciting development this term has been the development of our Nursery provision. We are now offering families:

- Immediate and/or September starts
- Free lunches for full-time children
- Wrap around care from 7.45am - 6.00pm
- School tours during and after school
- Toddler 'Stay and Plays' every Monday and Tuesday
- Saturday **Open Morning** on 29th April, 10.00am-11.30am

We still have nursery spaces available for September, so **please share** with friends and family in the wider community.

We have a busy term ahead so on the next page please find a summary of key dates and events for the summer term. In the meantime, I hope you all have a wonderful Easter break and a restful time with your family.

Kind regards,

Matt Trahair
Headteacher
