Collaboration

For Governing Bodies to carry out their role effectively, governors must be:

- Prepared and equipped to take their responsibilities seriously;
- Acknowledged as the accountable body by the lead professionals;
- Supported by the appropriate authorities in that task; and
- Willing and able to monitor and review their own performance.

In law the Governing Body is a corporate body, which means:

- No Governor can act on her/his own without proper authority from the full Governing Body;
- All Governors carry equal responsibility for decisions made, and
- Although appointed through different routes (i.e. Parents, Staff, Local Authority Community), the overriding concern of all Governors has to be the welfare of the schools as a whole.

Delegation

The Governing Body agrees to delegate some of its functions to committees and individual link governors; terms of reference for each established committee will be reviewed annually and approved by the Governing Body. Each committee [here](#) and/or individuals must report back to the Governing Body on any activities they have carried out on its behalf. The Governing Body understand that it always acts as a 'corporate body' and remains accountable in law and to Ofsted for the performance of all its duties and functions.

In reviewing delegation, the Governing Body notes that the Chair of Governors must not exercise as an individual any of the functions of the Governing Body except where this has been sanctioned by the Governing Body, or in the specific circumstances permitted within regulations. The Chair of Governors is permitted to act in cases of urgency where a delay in exercising the function would be likely to be seriously detrimental to the interests of the schools, a pupil, parent or member of staff.

The Governing Body will:

- Understand its purpose and the role of the Executive Headteacher as set out above;
- Operate at a strategic level, leaving the Executive Headteacher and senior school leaders responsible and accountable to it for the operational day-to-day running of the schools;
- Accept that we have no legal authority to act individually, except when the Governing Body has given us delegated authority to do so, and therefore we will only speak on behalf of the Governing Body when we have been specifically authorised to do so;
- Accept collective responsibility for all decisions made by the Governing Body or its delegated agents. This means that we will not speak against majority decisions outside the Governing Body meeting;
- Fulfil its a duty to act fairly and without prejudice, and in so far as we have responsibility for staff, we will fulfil all that is expected of a good employer;
- Encourage open government and will act appropriately;
- Consider carefully how our decisions may affect the community and other schools;
- Always be mindful of our responsibility to maintain and develop the ethos and reputation of our Federation. Our actions within the Federation and the local community will reflect this;
- In making or responding to criticism or complaints affecting the Federation, we will follow the procedures established by the Governing Body.

Commitment

- We acknowledge that accepting office as a Governor involves the commitment of significant amounts of time and energy.
- We will each involve ourselves actively in the work of the Governing Body, and accept our fair share of responsibilities, including service on committees or working groups.
- We will make full efforts to attend all meetings and where we cannot attend explain in advance in full why we are unable to.
- We will get to know the schools well and respond to opportunities to involve ourselves in the school activities.
- Our visits to the schools will be arranged in advance with the staff and undertaken within the framework established by the Governing Body and agreed with the Executive Headteacher.
- We will consider seriously our individual and collective needs for training and development, and will undertake an annual skills review and attend relevant training.
- We each will attend a Governor induction training programme and any other training deemed necessary to fulfil our roles effectively.
- We are committed to actively supporting and challenging the Executive Headteacher

Relationships

- We will strive to work as a team in which constructive working relationships are actively promoted.
- We will express views openly, courteously and respectfully in all our communications with other governors
- We will support the chair in their role of ensuring appropriate conduct both at meetings and at all times.
- We are prepared to answer queries from other Governors in relation to delegated functions and take into account any concerns expressed, and we will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.
- We will seek to develop effective working relationships with the Executive Headteacher, staff and parents, the local authority and other relevant agencies and the community.

Confidentiality

- We will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or pupils, both inside or outside the schools
- We will exercise the greatest prudence at all times when discussions regarding the schools business arise outside a governing body meeting.
- We will not reveal the details of any Governing Body vote.

Conflicts of Interest

- We will record any personal, pecuniary or other business interest that we have in connection with the Governing Body's business in the Register of Business Interests.
- We will declare any pecuniary interest - or a personal interest which could be perceived as a conflict of interest - in a matter under discussion at a meeting and offer to leave the meeting for the appropriate length of time.
- The Governing Body will abide by the council's model process for maintaining the register of interests.

Governors' Allowances:

Payments can only be paid for expenditure necessarily incurred to enable the person to perform any duty as a governor. This does not include payments to cover loss of earnings for attending meetings. Travel expenses must be at a rate not exceeding the HM Revenue and Customs (HMRC) approved mileage rates which are changed annually and are on HMRC website. Other expenses should be paid on provision of a receipt and be limited to the amount shown on the receipt.

Breach of this Code of Practice

- If we believe this code has been breached, we will raise this issue with the Chair and the Chair will investigate; the Governing Body should only use suspension as a last resort after seeking to resolve any difficulties or disputes in more constructive ways;
- Should it be the Chair that we believe has breached this code, another governor, such as the Vice Chair will investigate;
- We understand that any allegation of a material breach of this code of practice by any Governor shall be raised at a meeting of the Governing Body, and, if agreed to be substantiated by a majority of Governors, shall be minuted and can lead to consideration of suspension from the Governing Body.
- We are aware of the provisions of regulation 17 of the School Governance (Procedures) (England) Regulations 2013, which pertain to the grounds for suspension as a School Governor.
