Dear Parent(s)/Carer(s)

Young Hackney is a council-run voluntary service for all young people aged 6-19, and up to 25 for young people with additional needs. We aim to help all of Hackney's young people to enjoy their youth and become independent and successful adults. Our website, www.younghackney.org.uk has news, views and events for young people and will provide you with more information about the service.

As part of our support to young people preparing for Secondary School, We are happy to confirm the details for the Young Hackney Year 6-7 Summer Transitions Workshops!

This is open to any young person who has just finished their final year at Primary School and getting ready for their new adventure at Secondary School. They are invited to attend a two day workshop during the final week of the summer holidays where they will be able to meet young people on the same journey, build some teamwork skills and confidence as well as a chance to reflect on the support they may need moving to Secondary School, and of course have lots of fun!

Venue - Forest Road Youth Hub, 29 Forest Road, Hackney, E8 3BY

Dates - Wednesday 30th and Thursday 31st August 2023

Time - 11am-2pm (there will be some snacks provided but young people are welcome to bring a packed lunch).

Ideally they are free to attend both sessions and they will need to complete a membership form if not already done so. Attached to this letter or alternatively can be completed at the Youth Hub.
