Dear Families,

Re: Breakfast Club

I am pleased to welcome you all back to the new term and trust you had a restful break. I am writing to update you on some changes that we will be making to the Breakfast Club Provision at Thomas Fairchild from **Monday 8th January 2024**. So that we can continue to ensure that pupils wishing to attend the provision have a place, the following changes will be made:

- The new start time of the sessions will be **8.00am** and not 7.45am.
- The cost of food as you may all be aware has increased, so we will be increasing the charge of a daily session from £1 per day to **£2 per day**. This is the first increase since 2021.
- Each family wishing to secure a place must pay in advance up to a minimum of two weeks to secure a place.
- As we have limited places, pupils that miss 3 sessions in one half term will be removed from the club to allow others on the waiting list to access this service - except in exceptional circumstances.
- Those pupils that display unacceptable behaviour and disrupt the experience for others may have restricted access to the provision for a fixed term period.

If you would like to renew your child's place in Breakfast Club from January, you must complete the [application form](#) by scanning the QR code on this letter. If your child does not currently join Breakfast Club and you would like to apply for a space, please complete the same form. We operate a waiting list and will be in contact with you shortly to secure a place.
