Dear Thomas Fairchild Families,

Re: After School Clubs - Summer 2024

Our current after school club offer will continue from **3.30pm - 4.30pm** from **Tuesday 16th April** until **Friday 3rd May**. During this period the clubs will remain free. As noted in Ms Reid's letter that you received yesterday, From 7th May the price of clubs will increase to **£4.50** to cover school costs.

As you'll see below, the activities during these 3 weeks will remain the same. However, the Cycling and Cricket clubs have ended. If you are already signed up to clubs, you do not need to do anything as we will roll over club lists. However, if your child would no longer like to attend their club during this period, please inform the school office.
