

Thomas Fairchild News

THURSDAY 4TH JULY

Headteacher's Message

Dear Families,

What a busy term we've had so far! Summer term is always an exciting one with lots of trips, visits and family events. It's also a time to reflect on what a successful year we've had at Thomas Fairchild. The children continue to impress us every day with their hard work, resilience and care.

We have several big events coming up this term, so do keep checking emails and text messages for details.

Mr Trahair

EYFS Open Morning

Please tell friends and family with pre-school children about our **EYFS Open Morning** on **Thursday 18th July!** Meet the team and activities from 9.30am.

Oh we do like to be beside the seaside!

What a jam-packed day Year 3,4,5 & 6 had at Chalkwell Beach last Friday! Beach games, rock-pool exploring, paddling and splashing, alfresco lunch and we even had time for a delicious ice cream. It was wonderful to see all the children enjoying themselves during a traditional day at the seaside.

Identity Project

This week we have had the pleasure of inviting in a number of families in to watch our Year 1, 2, 3 and 5 sharing assemblies as part of our Identify Project showcase! Each class has had a lot of fun this week sharing their unique identities.

Year 1 shared their learning with parents in assembly today and it was wonderful to see their confidence and professionalism. Year 1 told us all about their heritage, family history, favourite foods and activities. Well done Year 1!

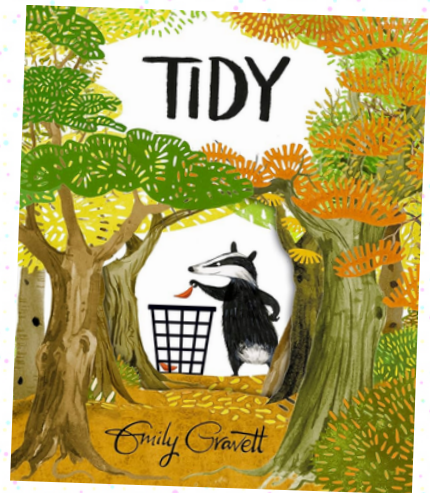

Year 2 created a class poem to read in assembly which reflects on our identity as a class and the children chose resilient, warm-hearted, generous and bright to describe themselves. Each child shared facts about their own identity such as the languages they speak, their favourite skills and hobbies, their religion and their favourite things.

Year 5 shared their self-portraits which showcased their own perception of themselves. They confidently read a poem called "Isn't My Name Magical?" by James Berry.

Join us tomorrow when Year 3 will share their learning, including personal autobiographies that tell the story of a child growing up in Hackney.

We are reading...

A lovely book about the importance of protecting the environment, but also the perils of being too tidy!

UPCOMING EVENTS

Sunday 7th July - Run
Islington Run event

Wednesday 10th July -
Reception Gruffalo's Picnic

Tuesday 16th July - Nursery
Graduation
