MONDAY 20TH JANUARY

Headteacher's Message

Dear Families,

As we approach the midpoint of this term, I would like to take a moment to celebrate the fantastic start we've had! It has been a joy to see the dedication and enthusiasm from children and staff, and the progress made so far is something to be proud of.

I would also like to remind families about the importance of maintaining good attendance and punctuality. Every school day counts towards your child's success, and arriving on time is vital for a productive day of learning. Also, please ensure that children are wearing the correct school uniform each day. Wearing the uniform not only fosters a sense of pride and belonging, but also supports a focused and respectful school environment.

Don't forget, we have our next Staff-Parent Association meeting on Tuesday 21st January at 9.00am, and we encourage as many of you as possible to attend. This is a great opportunity to engage with our school community and share ideas for upcoming events and projects.

Thank you for your ongoing support, and let's continue to make this a successful term.

Multiply and Me returns!

After a successful launch in December, we are delighted to let you know that the Multiply team are returning on **Tuesday 4th February, 9.00am - 10.00am** - come along, find out more and enrol! More details below:

Tuesday 4th February 2025

9.00am - 10.00am

Multiply + me

Please join our coffee morning to find out how **Multiply** can help with your maths skills - from budgeting and money management to helping your child with their homework.

Fun + Flexible + Free

After our coffee morning on Tuesday we are delighted to be hosting two **FREE** Multiply numeracy sessions for our families, courtesy of our colleagues at Capital City College, so come along to register your interest and save the dates below. The session also includes **ESOL** elements and is a government funded programme to help Londoners improve their numeracy skills.

Tuesday 11th & Tuesday 25th February
9.00am - 11.00am, refreshments too!

Please call 0207 253 9469, email tfoffice@newwaveferation.co.uk or pop into the school office to find out more and register your interest.

Wow!

TENDER RE:SET

Thomas Fairchild have been working with Tender Education and Arts and we are delighted that we have been awarded the Healthy Relationships School Award!

RE:SET is a healthy relationship whole school approach, and Tender were supporting us to deliver additional relationship education sessions throughout the school. Children have made many regulation resources and conflict resolution toolkits for their peers to use to help children to maintain friendships.

Year 5 & 6 Bikeability Cycle Training

Bikeability cycle training (under the fabulous guidance of Cycle Confident) is making a welcome return and, great news, all children in Year 5 & 6 will take part during Spring term. There are a variety of sessions from learn to ride, confidence boosts (Level 1 at school) and advanced on road cycling around local roads (Level 2 accreditation).

The children will be expected to bring their bike each day, in a road worthy condition. If your child does not own one, please don't worry, we have some school bikes/helmets available for loan. Watch out for letters home letting you know which dates your child will be cycling! **Great for a healthy mind, body and planet!**

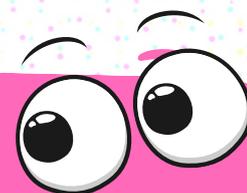

We are reading...

Wonder
By R. J.
Palacio

Year 5 are thoroughly enjoying this important story about ten year old August, who was born with a disorder that makes him unlike everyone else. The book explores the ups-and-downs of friendships, family and school.
