Dear Thomas Fairchild families,

Re: Curriculum Information for Spring 1

Happy New Year and welcome back to school for Spring 1! As we kick start our term I am pleased to share with you some important curriculum documents. Please follow the links below to find your children's **knowledge organisers, curriculum leaflets, home learning projects, and timetables** for this term. I hope you find these helpful for engaging with children's learning.

Nursery	Reception	Year 1	Year 2
			
Year 3	Year 4	Year 5	Year 6
			

Spring 1 term is all about geography! From Years 1 - 6 children will be starting their new geography topics which cover various geographical concepts from the national curriculum:

- Year 1: England
- Year 2: London and Alexandria
- Year 3: Settlements
- Year 4: Tectonic Plates
- Year 5: Our Natural Planet
- Year 6: What's It Like There?

Children will be enjoying school trips linked to their geography topics, so please look out for trip information over this term. If you have any questions about your child's learning in school, or home learning expectations, please do not hesitate to ask your child's teacher or a senior leader. We are always happy to help.

Warm regards,

Matt Trahair
 Headteacher
