FIX OUR CHILDCARE:

SHARE YOUR STORY WITH HACKNEY COUNCIL!

Hackney Education wants to hear from you!

The national childcare system is struggling. Soaring costs and closed nurseries make it harder than ever for parents to balance work and family life. Hackney Council is building a powerful case for change, and your real-life story is their strongest evidence.

Whether you use a nursery, childminder, children's centre, or rely on family, please tell us:

- What challenges do you face?
- What is working well?
- What would help your family the most?
