Wednesday 7th October, 2026

Dear Families,

We are excited to invite you to join us in celebrating **World Values Day!** This annual global event is a wonderful opportunity for our school community to reflect on the core values that guide us—such as kindness, respect, empathy, and responsibility—and to put those values into meaningful action.

The theme for World Values Day 2026 is **"Values and Volunteering".** This theme highlights how choosing to put our values into action through service and helping others can make our school and local community a happier, more connected place.

To align with this year's theme, every year group across the school will be undertaking **its own unique volunteering project.** These hands-on activities are designed to help our children put their values into practice while making a real, positive impact in our local community.

We would love to share our learning and achievements with you! The children have been working hard on their projects, and we warmly invite you to attend a special presentation in the school hall.

Date: Thursday 15th October (World Values Day)

Arrival Time: 2:55 PM (for a prompt 3:00 PM start)

Location: School Hall

We hope you can take the time to join us for this inspiring event and celebrate our children's hard work. Thank you for your continued support!

Warm regards,

Sophie Medhurst

Headteacher

Thomas Fairchild Community Primary School
